FOREWORD

DR. RALPH DILLINGHAM WELLONS

PRESIDENT'S MESSAGE

While the year 1949-50 has been, in many respects, a year of fulfillment, it has, at the same time been the beginning of a period of "great expectations" in the college. We have seen the completion of two new buildings and the beginning of the construction of a third. We look forward with assurance to the completion of others.

But our greatest expectations center upon the possibilities of higher scholarship, more creativity, more unleashing of the mind for its quest into the unknown. The 1950 INDIANHEAD Staff has set the pace for the new day. Our commendation goes to them for work faithfully done.

COLLEGE ASSISTANTS

DEDICATION

DEAN CLIFTON OXENDINE

In recognition of a long and faithful service rendered Pembroke State College, this, The 1950 INDIANHEAD is hereby dedicated to Dean Clifton Oxendine. We know him as being one who is interested in the welfare of the youth of this community, and especially those who pass through the halls of our College. He is perhaps our greatest historian in regard to the history of the people of Robeson County. We think of him as being a part of this College, since his duties are so broad and varied. His soft words of guidance have encouraged us until at last we stand poised to step into life unafraid.

DR. HAROLD W. KENNEDY
Class Adviser

The Senior Class is indeed fortunate to have as its Class Adviser Dr. Harold W. Kennedy. He is recognized as a man of great ability in organizing and promoting any worth-while project around the College. The products of his thinking and planning are beginning to grow in number. Even The INDIANHEAD is one of his projects. He is always working along with the other faculty members to make the students here feel that they are indeed living in a college atmosphere.

SENIOR CLASS HISTORY

We feel as a class that our history cannot be separated from the history of the College during the past four years. Whatever the College has been or done, we feel that we have been a part of it and that that is really our history. Whether it has been progress in the academic field or in the field of sports, we have been a part of this progress. We have witnessed a phenomenal growth of the College during the past four years, not only a growth of the physical plant, but a growth as well in the other things that go to make up a College. Our history here has been one of transition. We have been changing during the past four years. From the confused and indifferent little band of four years ago, we have grown into a confident and determined group. We now have an aim and a realization of purpose in life.

Some of these Seniors will be remembered for some special work he or she did while passing this way. Jesse Oxendine perhaps will be remembered for his ability with a Trumpet or for his feats on the gridiron. Barto Clark will leave memories of his efficient work as head of the Student Council, or his ability as an actor, or even his absence from the head of the Dean's List will be noted. A promising Vocalist leaves in the person of Vernon Ray Thompson. Others of the Senior Class of 1950 will be remembered for different things, but in one thing we are agreed. For those who come after us, we wish for them even greater growth and greater success than even we the Senior Class of 1950 has achieved.

JUNIOR-SENIOR RECEPTION

One of the highlights of the college year is the Junior-Senior Reception held in the College dining hall. Social life is an important part of the student's college training. Much credit is due Miss Reckendorf, the Junior Class Adviser, for the great success of these receptions.

In the scene above the visiting high school students and the college students are enjoying their picnic lunch on the campus of Pembroke State College.

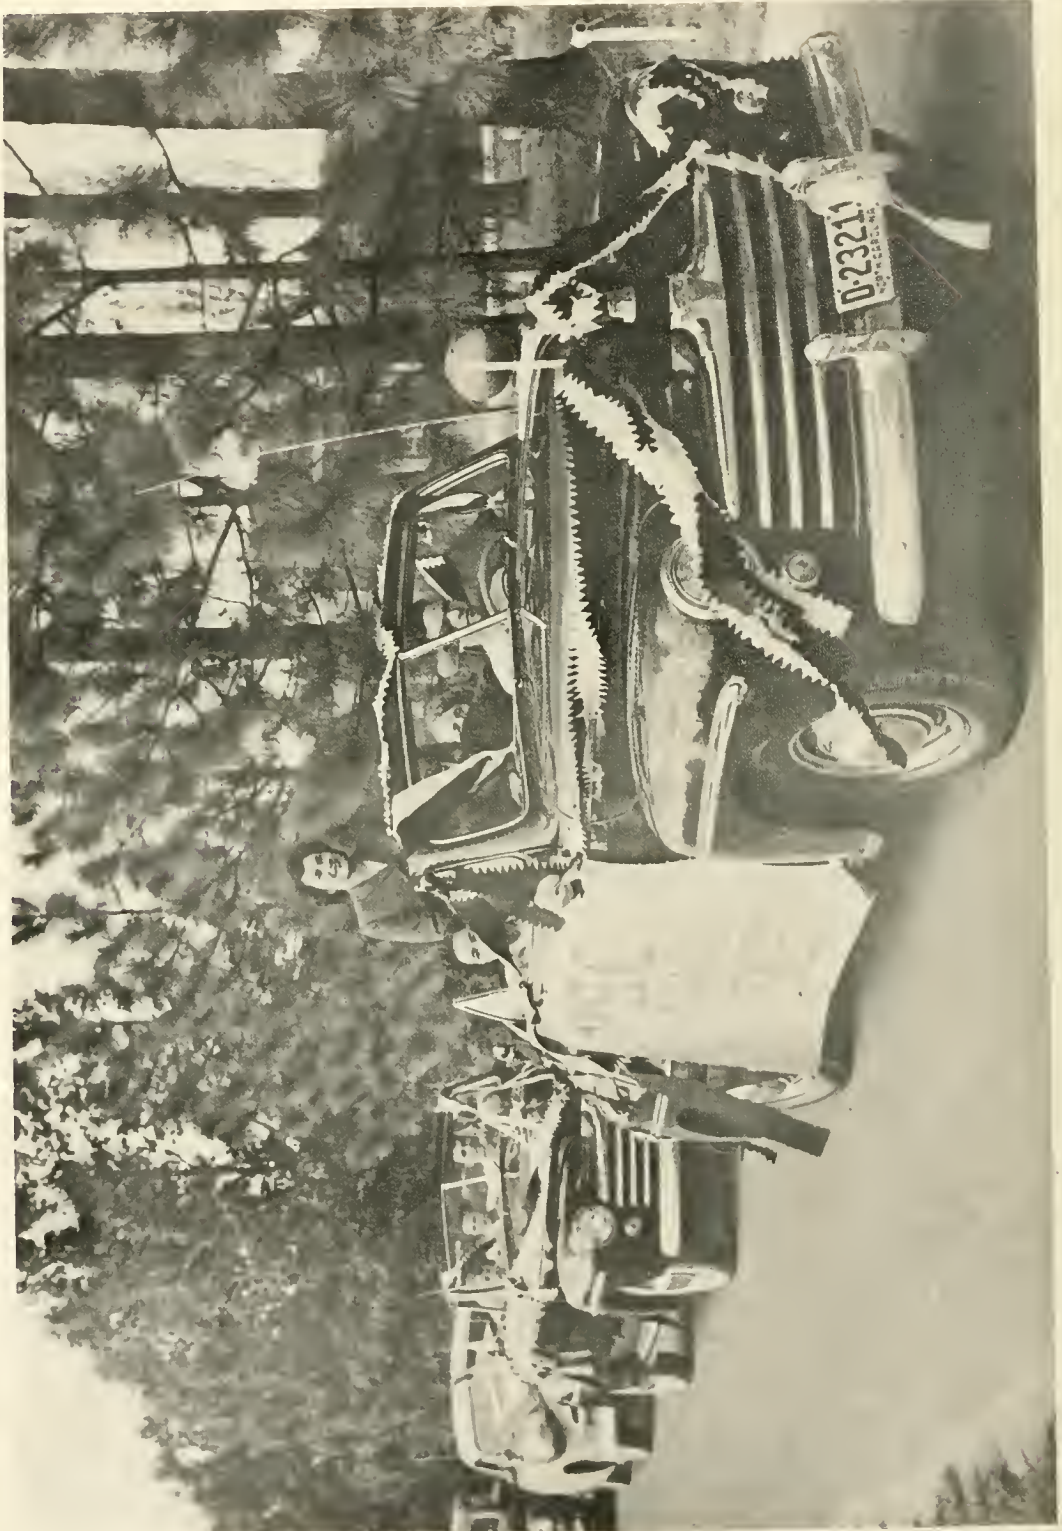

SENIOR DAY

Each Spring one day is set aside at Pembroke State College to welcome all high school seniors to the college campus. These prospective college freshmen are taken on a tour of the buildings and different departments of the college in an effort to better acquaint them with our college. College students and the visiting students are joined in a picnic lunch at noon on the campus. Movies are shown, short plays are given, and many other interesting events are on the program of the day for the visiting students. The days activities usually end with a baseball game.

STARTING LINE-UP

The Pembroke State College Braves went through the regular season of play undefeated against strong opposition. Their record is six wins and one tie. In the opening game of the season the Braves scored three touchdowns in the second half to defeat the Tabor City Red Yams 26-6 at the college field in Pembroke Saturday afternoon, October 1.

The Braves led at the half 6-0 by virtue of a second quarter touchdown on a 6-yard line plunge by Fullback Moland Strickland. The Red Yams scored on a 24-yard pass from Dave Hooks to Orben Fowler in the third. After Delton Locklear went over from the one for the Scalpers second tally, Jesse Oxendine raced 62 yards to the Tabor City 5 to set up the third score by Leslie Locklear. Walter Locklear got the last six-pointer from the Yams eleven.

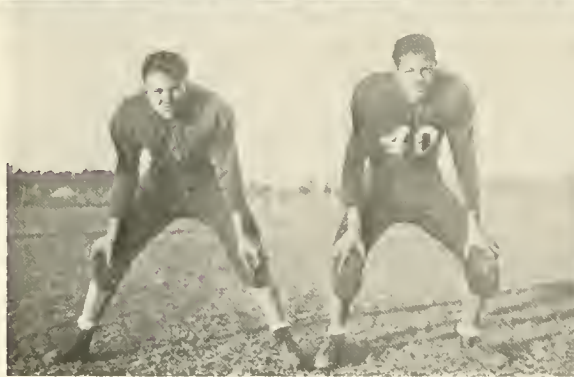

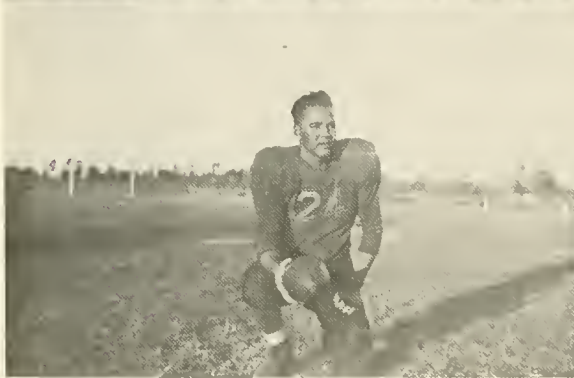

The following Saturday the Braves ran and passed their way to a 14-0 win over the Pope Air Men of Fort Bragg at Braves Field for their second win.

The Braves then journeyed to Clinton, N. C. to take on the undefeated and unscored-on E. M. I. Rams. It was a well-played and hard-fought game with each team scoring seven points.

On November 4, E. M. I. came to Braves Field to get revenge for that tie. In a very exciting game the Braves proved too strong for the Rams and left the gridiron with a 13-7 victory. After having two touchdowns called back by penalties, the Braves pushed over another to take the lead at 7-0. E. M. I. roared back to tie it up at 7-7 at the half. But the Braves were not to be denied this victory. In the waning seconds of the game Leslie Locklear took a pass behind the Ram defenders and went all the way.

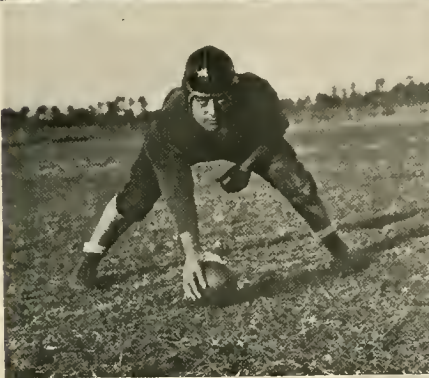

In a return engagement with Pope Field the Braves added another scalp to their string of victories. After trailing 6-0, the Braves caught fire and went on to gain an 18-6 victory.

Then in quick succession the Braves trounced Tabor City 20-7, and Whiteville 18-6. This rounded out the regular season of play. Viewed from any angle this has been a highly successful season for the Braves. Coach Sampson is looking forward to another good season next year. Jesse Oxendine the signal-barking quarterback will be missed as he is leaving via graduation. However lots of good men will be left. The names of Captain Ned Sampson and Halfback Delton Ray Locklear will be heard often when the Braves take to the gridiron next season. The best of luck to them.

Jesse Oxendine carries for a nice gain against Pope Field as he gets good blocking from Leslie Locklear (6) and Delton R. Locklear (20).

ACTION AT BRAVES FIELD

Leslie Locklear (6) takes a pass and goes all the way to sew up the game against E. M. I.

The Braves roll over a stubborn E. M. I. eleven.

BASKETBALL

The Pembroke State College Braves are enjoying a good season on the hard wood this year. The team has dropped a few games but always the scores have been close. So far the Braves have 21 victories and 6 defeats. Returning lettermen this year include Delton Ray Locklear, Ned Sampson, Hoover Lloyd, Walter Locklear, Les Locklear, and Tom Oxendine. The Braves will be strong in Basketball for years to come, and promise to be very tough for the next couple of years since the strength of the team lies in a group of Sophomores.

BASKETBALL SQUAD

Kneeling: Walter Locklear, Tom Oxendine, Ned Sampson, Hoover Lloyd, Delton Ray Locklear. *Standing:* Coach Sampson, Reese Locklear, Lindbergh Martin, Farce Oxendine, James A Jacobs, Harlie Carter Manager, Earl Thomas Business Manager.

BIGGER AND BETTER THINGS FOR PEMBROKE STATE COLLEGE.

On March 9, 1949 the cornerstone was laid at Sampson Hall with fitting ceremonies. It is an important date in the history of Pembroke State College. We are not stopping there. We are going on to bigger and better things in our program to make this college great.

Designed to Serve with Quality

Today more than 104,000 farmers in the Carolinas look to the sign of the FCX Triangle as a symbol of quality. Not only does this sign assure them of a steady flow of highest quality farm supplies — of FCX Open-Formula Feeds and Fertilizers — of Seeds of Known Origin — of farm machinery and farm home appliances, but there, too, are markets which help them to get a fair return for products they grow.

FCX *is the Farmers' Own Business.* He owns it — he controls its operation completely.

Specializing in Art, Music, Home Economics, Agriculture,
Physical Education, as well as English, Social
Sciences, Languages, Biology, Chemistry,
Physics, and Mathematics.

A Growing Library Now Contains Over
Eighteen Thousand Books

PEMBROKE, NORTH CAROLINA

READ THIS . . . before you decide on your profession

Do you like children?

Do you like to feel you're helping them develop, helping them build their lives and their futures?

Do you like facts and ideas . . . like to absorb them and add to your intellectual stature?

Do you like to feel you're taking part in the progress of your community, your state, your country — and the world?

Do you have imagination? Poise? Patience and understanding? Good health and normal energy?

If you can answer "yes" to these questions, the chances are good that you have a talent for teaching.

During the next few years, 230,000 teachers — over and above those required to fill normal vacancies — will be needed in our schools.

There is a special need for teachers in elementary grades . . . and there will be an even greater need during the years ahead.

Your place may be in this highly honored profession — look into the possibilities today.
